Dear COL (Ret.) James:

Your letter, dated 28 March 2018, was received and considered. As the commander of this facility, it is my responsibility to consider the public safety and the rehabilitative interest of all inmates under my care. Military Correctional Complex Standing Operating Procedure 310 (MCC SOP 310) was established with both objectives in mind. MCC SOP 310 does not compel any inmate to participate in Sex Offender Treatment (SOT). Since MCC SOP 310 supports a legitimate penological objective, does not compel inmates to participate in SOT, I do not find it violates the privilege against compelled self-incrimination nor any binding international treaty.

Sincerely,
